3. Wide is the world, love, but love is strong; My heart is furl'd, love, up..... in this song; To you I fling it!

Ah! hear it beat! Soft winds will wing it, sweet, to your feet.

f *p* *rit.*

Why should I grieve you? Why should I go?
Should hearts be brok - en when eyes are wet?

Why should we, lone - ly, drift far a - part?
On - - ly we two know what we two said.

When we two on - ly own..... but one heart.
I know, and you know, that..... pride is dead.
